He is associated with SANCHAR for conducting various research works and baseline survey in socio-economic field. He has contributed many papers in national and international magazines and sparing his leisure time in proper implementation of community development projects in rural fields all over the state.

Secretary says...

On the eve of the Annual General meeting of the organization held on 27th April 2025, I have the opportunity to address not only the members but also a few persons present in the meeting who are benefitted and leading comfortable lives due to timely help from our organization. I feel satisfied when any individual person, or the family members and the community at large surviving with dignity after our need-based approach through different social intervention activities.

The Ministry of Social Justice and Empowerment, Govt. of India, a few corporate sectors and some well-wishers have come forward to fund our existing projects like Sr. Citizen Homes running in Jhinkpani, Gumla and Chatra of Jharkhand state and at Raigarh district of Chhatisgarh; Drug De-addiction Centers (DDAC) running at Gumla and Chatra districts of Jharkhand; Health services project in Mayurbhanj district of Odisha; Skill Development training programmes to empower the women communities and to provide them sustainable livelihood opportunities and Education and Skill Training facilities to the persons with Disabilities.

Regular meetings and advices of the Managing Committee and dedicated services of the existing employees have given us more scopes and opportunities to venture for new assignments and services to the vulnerable individual, group and communities.

I express my whole hearted gratitude and thanks to all our members who are sincerely and dedicatedly working for the upliftment of the deprived.

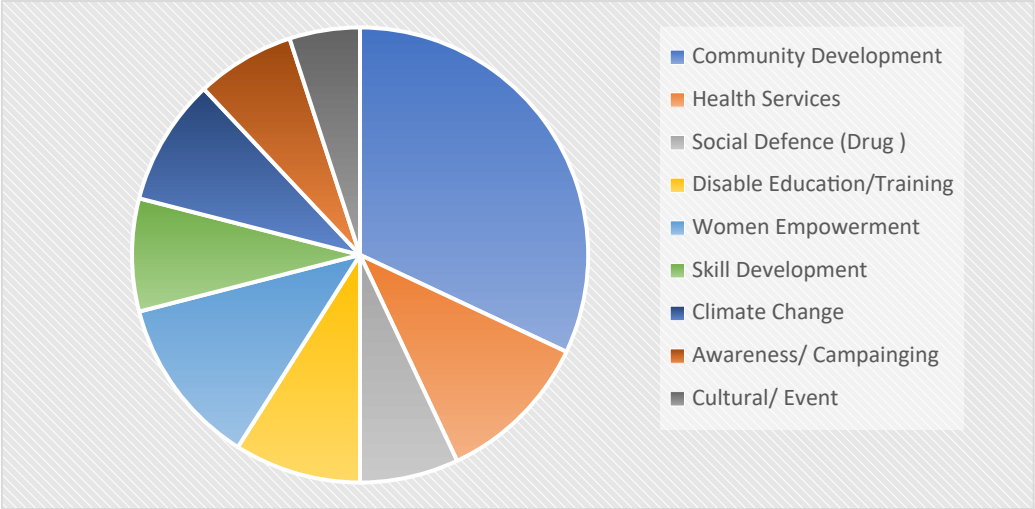
What we spent on whom?



Who are the funding sources?

- Ministry of MSJE, G.o.I.
- Corporate Sectors
- Public Donation
- Members Contribution

Running Senior Citizen Homes

IN JHARKHAND STATE

At Jhinkpani of West Singhbhum District

We have been running the Senior Citizen Home at Basahatu, Jhinkpani block since 2028. However, MSJE, Govt. of India approved our proposal in the year 2020. There are 50 senior citizens in the home. Adequate staff are working as per the guidelines of the Ministry to give proper shelter, quality food, clothing and medical care. Ample scope has been given for recreation and the inmates are practicing yoga on regular basis.

At Fasia in Gumla District Headquarters

One 25 bedded senior citizen home has been set up at Fasia in Gumla district since 2022. This senior citizen home is being managed by organization from its own sources. There are 22 inmates in the home. They are provided quality food, tiffin and snacks, clothing and health care services. A doctor is coming twice a week for health check up and distribution of medicines. We have submitted proposal before MSJE for availing grant-in-aid.

Jaisankar Nagar in Chatra District Headquarters

We are running one 25 bedded senior citizen home at Jaisankar Nagar near Sadar Block of Chatra district since 2022 and there are 24 inmates in the home. The inmates are given proper shelter and they are provided with tiffin, lunch, evening snacks and dinner at free of cost. The doctor is visiting the home twice in a week. In the home there is TV and recreational facilities. The proposal is also submitted with MSJE, Govt. of India for providing necessary grants so as to run the home very smoothly.

IN CHHATISGARH STATE

At Dongadhakel in Raigarh district

At Dongadhakel in Raigarh district of Chhatisgarh state we have been running the on-going Senior citizen home (50 bedded) project since the year 2018. The Ministry of MSJE, Govt. of India approved the proposal in the year 2020-21 and regular grant-in-aid is being received. There are 50 inmates in the home. There is a garden in front of the home where they prefer to work in the morning. The inmates are always given proper care. Food, Clothing, recreation etc are provided perfectly. The Doctor and staff nurse are regularly cecking up the health condition and giving medicines.

Running Sr. CH in Shakti District HQs

One Senior Citizen Home with 25 bed provision has been established at Badadarha in Shakti district since 2023. Now there are 23 Senior citizens belong to Shakti district and outside places who are provided with comfortable shelter, Proper food during morning, at lunch and dinner. A doctor of the locality is attending the beneficiaries twice in a week. Clothing, soap and oil are also provided to all the inmates. The inmates are also given training for practicing Yoga and in leisure hours they are watching TV. Interested inmates are also preferring gardening work available in front of the center. Four staff including part-time doctor are engaged.

Running Drug De-addiction Center (DDAC)

DDAC running in Gumla District of Jharkhand State

Drug (substance) abuse has become a worldwide menace. No part of the world is free from the curse of drug addiction. Drug abuse has emerged as a serious concern, adversely affecting the physical and socio-economic well-being of the country.

In view of the above, our organisation has come forward to prevent and control the uses of substances in Gumla district since last two years. Experienced doctors and a fully dedicated professional staff have been involved in our DDAC and we have detected nearly 870 addicted persons including youth. After proper care and treatment about 600 affected people have been stopped using substances and leading normal lives.

DDAC running in Raigarh district of Chhatisgarh

Raigarh in Chhatisgarh is a mineral and industry-based district. Thousands of labours working in different mines and industries are mainly consuming alcohol, country liquor, opium, Ganja and even brown sugars in their daily lives. The economical condition of the families has been fully destroyed. However, our organization has established one DDAC in Jurda of Raigarh district where all required infrastructures are available. A well experienced doctor and para-medical staff are deployed in DDAC centre to prevent and control the substance uses. Last year about 630 addicted persons were identified. After proper counselling of the addicted persons and their family members 45 addicted persons completely gave up the habit and the rest were admitted in the centre in phase wise for proper treatment.

Mobile Health Services in Tribal Areas

Mobile Health Services in Jhinkpani Block of West Singhbhum District, Jharkhand

Since last three years we have been taking care of 26 villages of Jhinkpani block where tribal population is comparatively more. We are having our own vehicle with necessary pathological facilities and medicines. Two para-medical staff usually accompany the Doctor visit the identified villages twice in a week for health check-up and free medicine distribution.

Last year the medical team visited all identified villages and checked about 1260 patients. A total number of 62 patients with critical conditions were shifted to district main hospital for treatment. This year also we have planned to submit on-line proposal in the ministry of MOTA for release of grant-in-aid.

Mobile Health Services in Sareikela Block of Sareikela Kharswan District, Jharkhand

The tribal population is more in Sareikela block than other blocks of Sareikela Kharswan district. There are no health services facilities in distant tribal villages. They are economically so poor that hardly they visit hospital for their treatment. They usually depend on superstition methods for treatment. However, our two years regular visit to tribal villages along with doctor and medicines have developed faith among the tribals. Presently when our Mobile Dispensary vehicles enter any villages the tribal people ran before the vehicle for their health check-up and take free medicines. Last year we have checked 1170 patients and 52 cases were referred to district hospital for further check-up.

Empowering Tribal women through Trainings

Skill Development Trg. to Tribal women in Tanto Block of West Singhbhum District, Jharkhand

There are many tribal girls and women in Tonto block of West Singhbhum district, Jharkhand state who are economically very poor. Some of them are also educated. Still, they are unemployed. Only they need to be imparted skill training in different sectors for employment opportunity and preferring self-employment. However, SANCHAR has been working in this field during last two years. Initially we have made effort to identify 25 girls/women of tribal community and they were given training on Tailoring. Subsequently. more tribal women have joined and they are given trainings on Computer and Applique. At present there are 60 tribal women in the centre.

Special School of VI & HI Children

Residential Special School for VI and HI children at Banta in Bhadrak District.

Our organization has set up one Residential Special Primary School in Banta village of Bhadrak district since last two years. There are 18 Visual and 13 Hearing Handicapped children in the residential school. Presently four Special teachers have been engaged and other 3 supporting staff are deployed to take care of the children. The hostel is attached to the school where the disabled children are staying under the supervision of one female care taker. The children staying in the hostel are provided morning tiffin, lunch, evening snacks and dinner. Required medicines are also supplied after health checkup of the doctor. Now the children are studying up to 3rd standard and there is provision up to 5th Class in the special school.

OTHER ACTIVITIES

WORK-SHOP ON ROAD SAFETY

We organised a workshop on 'Road safety' at Fakirpur Xavier High School on 25th September 2024. Mainly Drivers, helpers, college students participated in the programmes. The participants were explained about rules and regulations of road safety and dreaded effect of road accidents due to driving after consuming alcohol.

SEMINAR ON CLIMATE CHANGE

A seminar on 'Climate Change' was organised at Anandapur on 22nd June 2024 where local people, college students and social activities were present. Invited guests explained about present scenario of climate change and its effect on environment, agricultural production and health aspects of common people

LIVELIHOOD SUPPORT TO TRIBAL WOMEN

22 tribal women belonging to BPL category were given both theoretical and Practical training on Mushroom production for 15 days in Tanto Block of West Singhbhum district, Jharkhand. After completion of training, they were given demonstration on Mushroom cultivation, storage and marketing. Now they are fully empowered to sustain their families through massive mushroom cultivation.
